

Meeting 2: Setting your Roundtable up for Success!

Session two needs for each roundtable member:

- Access to the Roundtable welcome email received from NAWBO

Best Practice recommendations:

- Confirm your leader and share with the roundtable committee
- Decide which sample agenda sounds like the best fit to begin with.
 - You can select one, rotate through multiple, and change this at any time based on the needs of the group.
- Create a group name and share with the roundtable committee
 - This makes it easier and more efficient for the roundtable committee to track groups

Questions to answer as a group to get to know each other better

- Where do you want to grow?
- What do you find is your biggest business challenge?
- What part of your business is the easiest?
- What could you do in your sleep that other people often think is hard?
- What keeps you up at night?
